## What is Open Access?

# Summary for HeardAboutIt

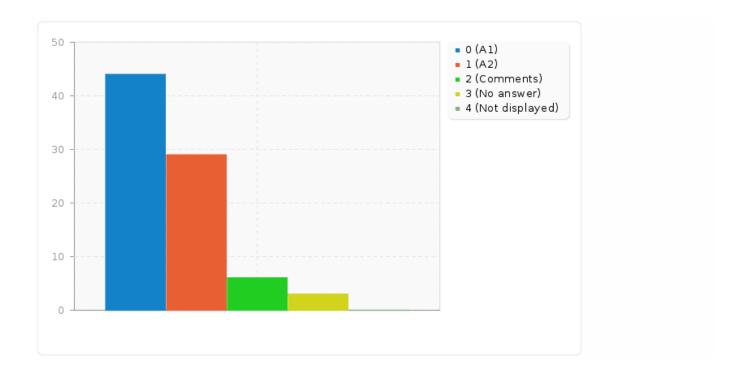

Open Access is a movement towards making academic literature open and freely available to everyone. Have you ever heard about this?

Answer	Count	Percentage
Yes (A1)	44	57.89%
No (A2)	29	38.16%
Comments	6	7.89%
No answer	3	3.95%
Not displayed	0	0.00%

ID	Response
11	não falo inglês
13	i tought it was also making databases free, sorry
26	You must fight to more open acesse
61	Penso que é muito importante para a realização de trabalhos académicos
	e que proporciona um conhecimento alargado e de fácil acesso a nível cientifico
98	I have only heard about Open Access in reference to software or databases.
105	I heard about it and I know it's part of the "fight" for the democratization of knowledge, that usually takes place at the academic level.

### Summary for HeardAboutIt

Open Access is a movement towards making academic literature open and freely available to everyone. Have you ever heard about this?

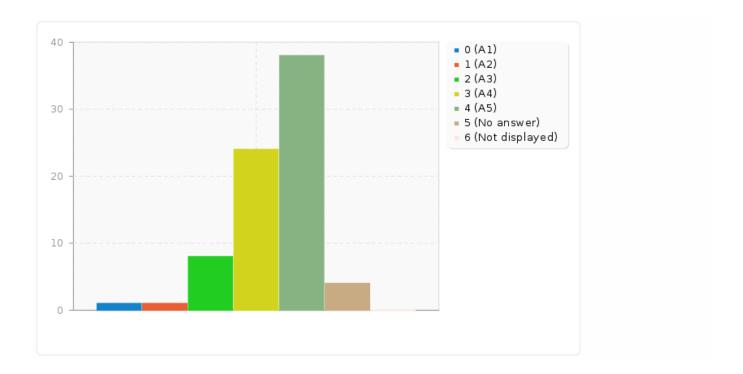

# Summary for Importance

How pivotal do you think it is to make academic literature open and freely available to the broader public?
